

Lace patterned Card Waist Band as a Fastener on a Tri-fold Greeting Card

STEP BY STEP 023
Inspiration: 15184

Cut the lace patterned card in the middle so that each piece measures approx. 7 cm in height.

Cut two 6.5 x 6.5 cm card squares. Attach them onto each side of the lace patterned card with double-sided self-adhesive tape. Fold the waist band around the greeting card so that the two pieces of card touch and join them using double-sided adhesive tape. Decorate the waist band with a few rhinestones on the flowers. Now you can slide the waist band around the greeting card to fasten it.

Lace patterned Card Waist Band as a Fastener on a Tri-fold Greeting Card

Lace patterned card is used as an elegant fastener on a tri-fold greeting card.
