

**A Fish from a Polystyrene UFO, Silk Clay and Pearl Clay**

**STEP BY STEP 023**  
**Inspiration: 15259**

Cover the polystyrene UFO with Silk Clay.

Model Silk Clay parts as illustrated in this photo and attach the fins and the mouth onto the fish.

Decorate the fish with Pearl Clay. The beads are here mixed with the supplied modelling gel.

Attach the tail and push plastic eyes into each side of the head. You may insert an eye pin into the top of the fish and thread a piece of string through the loop for hanging.
