

A Faux Leather Paper Bag decorated with Rub-on Stickers

STEP BY STEP 023
Inspiration: 15195

Cut out your chosen rub-on stickers.

A tip: Place the stickers on the bag so that you can see the end result of the design before you start the process of rubbing on the stickers.

Remove the protective paper from the sticker.

Place the sticker on your chosen location. Rub the sticker on with the wooden stick until the design sticks. Now remove the protective top foil layer.
