

A Decorated Ring Binder

Paint the ring binder with Plus Color Craft paint and decorate it with hand-made paper and cork. The die-cut designs, die-cut text and a leather cord gives a final personal touch.

Use masking tape to cover a small area of the spine and paint the exposed area on the spine with Plus Color Craft paint. Remove the masking tape immediately. Paint the die-cut designs.

Cut a piece of hand-made paper and attach onto the front of the binder with VTR adhesive.

Glue on the painted die-cut designs.

Glue on a piece of cork. You may also glue a small piece of cork onto the spine.

There are die-cut letters on the Big Shot machine.

Glue on text.

Tie a leather cord around.
