

A 3D Star

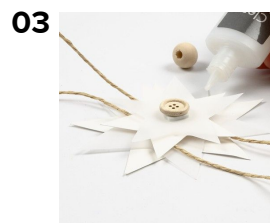

The punched-out stars are assembled and stapled onto a piece of paper string with a stapler.

01 Assemble the card and vellum hearts in layers with 3D foam pads. Finish with a wooden button.

02 Make tassels and tie them onto a piece of string.

03 Glue the string with the tassels between the middle layers of the star. Thread on a bead at the end.

Stars, size 7.3+10 cm, 240 g, white, carton, 40pcs 23851
