Metal Hearts in an Advents Calendar

Numbers are hung on metal hearts with striped cotton string. Different gifts are put in folding boxes, gift bags and gift wrapping paper. A small tassel is made for one of the small gifts.

Wrap cotton string around four fingers on one hand.

Cut a new piece of cotton string and use this for tying a knot in one end.

Wind the cotton string across at one end.

Cut open the other end to make fringes.

Heart, size 6x6.5 cm, 6pcs 59350

Cotton Cord, thickness 1.1 mm, red/white, 50m 50332
