01 Double over a 90cm long piece of floral wire. Shape a head in the middle and then a body.

02 Make wings from a 60cm long piece of floral wire, double it over and wrap it onto the body.

03 Cut out the dress using the template. Double over the fabric.

04 Sew the dress together with tacking stitches around the floral wire. Leave a small hole and fill the body with polyester stuffing. Then close the hole with tacking stitches.

05 Put wooden beads onto the floral wire feet and bend the floral wire, forming a loop. You may bend small pieces of wire for hair.
