Plastic Christmas Baubles

Paint the Christmas baubles with A-color metallic paint. Attach Vivi Gade decoupage paper and Vintage die-cuts with decoupage lacquer. Make dots using a foam brush.

01
Paint the plastic bauble with A-color metallic paint. Leave to dry.

02
Attach cut-out pieces of transparent decoupage paper and Vintage die-cuts to the bauble using A-color Allround medium glue lacquer.

03
You may add dots using A-color metallic paint and a foam brush.
