## A Cup Cosy

These easy-grip cup cozies are plain-knitted from Melbourne woolen yarn and then felted in the washing machine. They are decorated and assembled with buttons and coloured elastic cord. A great easy activity where everyone can participate.

01

Use No. 6 knitting needles to cast on stitches measuring 40cm in total. Use one of the contrasting colours and knit 4 rows of plain stitches.   
 ■ ■ Change to black yarn and knit 28 rows of plain stitches. ■ ■ Finish with four rows of plain knitting in the same contrasting colour used at the beginning. Cast off and secure

03

At the other end use a needle to pass an approx. 10cm doubled-over piece of coloured elastic cord through the felted piece ■ ■ Tie the ends together in a tight knot, leaving a loop at the outer side of the felted piece.

02

Now sew two buttons onto one end of the felted piece.

Deco Buttons, D: 14 mm, 36 asstd 699900
