## Gifts in Blues and Gold

Wrapping gifts in shades of blue with a touch of gold, decorated with ribbons and homemade cards. Can be used to cheer up the recipient but may also be used as part of the Christmas decorations in the home.

01 Cut a suitable piece of transparent hard foil.

02 Attach one half of the masking tape along the edge of the hard foil.

03 Fold the other half of the masking tape around the other side of the hard foil and repeat this and the previous process on the remaining three sides of the piece of hard foil.

04 Write on the hard foil card.
