

A Greeting Card decorated with a Capiz Shell and a Sticker

This Vivi Gade greeting card is decorated with a capiz shell in the middle looking like a hanging decoration. A sticker and a self-adhesive rhinestone are attached onto the shell. A masking tape border with a Christmas theme is attached at the bottom.

01 Attach a Masking Tape border at the bottom of the front of the greeting card.

02 Glue a ribbon onto the front of the greeting card from the top and down vertically.

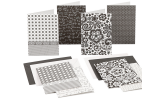

03 Attach a self-adhesive sticker onto the capiz shell.

04 Glue the shell onto the greeting card just below the attached vertical ribbon.

05 Decorate with a self-adhesive rhinestone according to your own taste.
