Bracelets with wooden Beads and Decorations

These bracelets are made from elastic cord with wooden beads, broken by a single and larger howlite bead. In addition, one bracelet is decorated with two tassels of mercerized cotton yarn.

Thread wooden beads and one single howlite bead onto a piece of elastic cord of your chosen length. Secure with a double knot.

Tassels: Cut a piece of mercerised cotton yarn measuring approx. 1 meter. Wind the yarn at a length of approx. 5.5 cm around a piece of card or similar.

Distribute the tassels on the bracelet. Tie and secure each tassel with a double knot.

Remove the wound yarn from the piece of card and cut another piece of yarn measuring approx. 20 cm.

Tie this piece of yarn around the middle of the wound yarn. Finish with a double knot.

Cut open the loops on both sides. Put together the two bundles to make a tassel.

Cut another piece of yarn measuring approx. 15 cm. Tie the yarn tightly around the tassel, approx. 1 cm from the top. Secure with a double knot.
