Table Decorations with Nappies on a String for a Christening

Each nappy is cut out from white card using a template and assembled with a satin ribbon. Each nappy is hung with mini clothes pegs on a wash line made from two wooden sticks on stands connected with a cord.

Cut out nappies using the template. Assemble each nappy with a satin ribbon and tie a bow.

Tie each end of the cord onto a stick with a stand and hang the nappies with mini clothes pegs. Secure the satin ribbon around the folded napkin using double-sided adhesive tape.
