

Card Animal Masks

The card masks are painted with glossy A-Color paint in different colours. Each colour paint is poured into a refill plastic bottle with a nozzle. The advantage is that the tip of the bottle can be used as a painting tool.

Inspiration: 11246

1.

Paint the animal masks with A-Color Acrylic paint.

2.

Draw lines with the refill plastic bottles which are filled with A-Color paint, mixed with a small amount of water.
