

A folded envelope card

A gift certificate folded from a single piece of Vivi Gade Design paper. Closed with decorative ribbons.

Inspiration: 11418

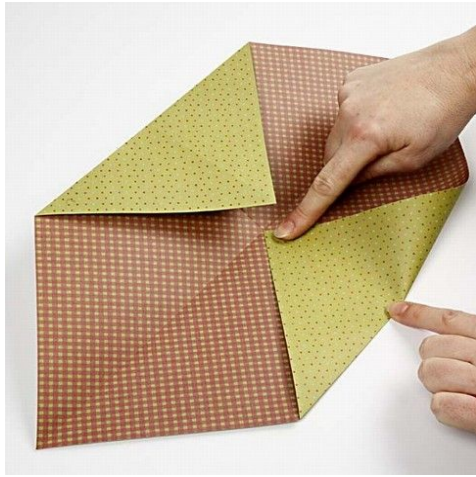

1

Fold a piece of square paper diagonally in one direction.

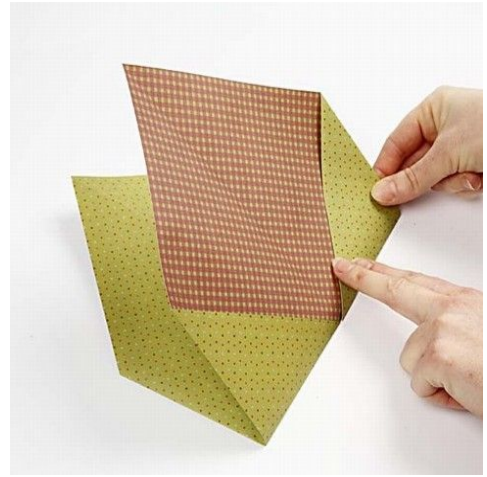

2

Unfold and fold diagonally the other way.

3

Unfold and fold two opposite corners toward the center.

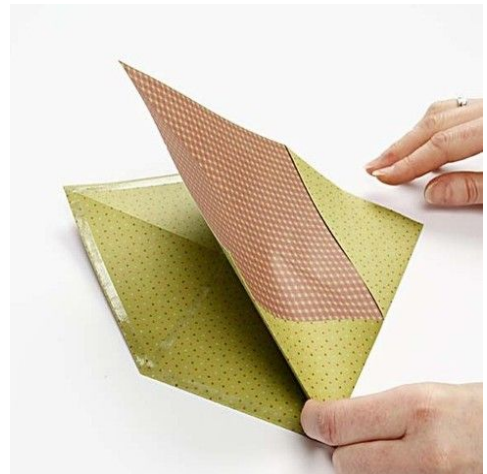

4

Turn over and fold in half as shown.

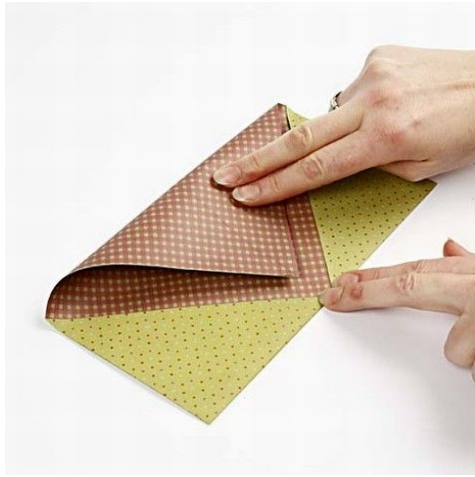

5

Put on double-sided adhesive tape.

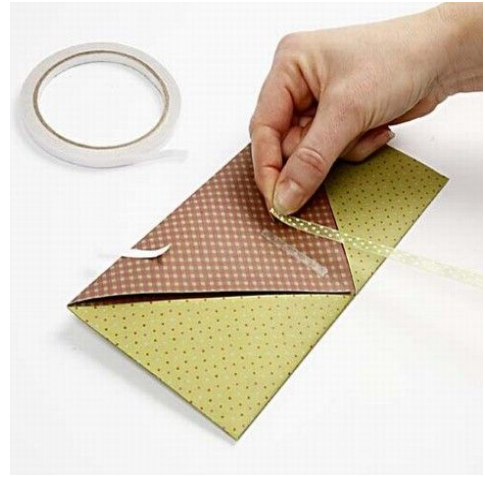

6

Close by folding as shown.

7

Fold the top tip down.

8

Cut two pieces of decorative ribbons each measuring approx. 30cm. Glue on the card's front and back with double-sided adhesive tape as shown.

9

Hide the ribbon on the card's front and back with a piece of square paper folded in half.

10

Decorate with punched out flowers assembled with a brad.
