

Mosaic on Candle Holders decorated with Glass & Porcelain Markers

The glass mosaic fragments are glued onto candle holders using Clear Multi Glue Gel and they are decorated with an opaque glass and porcelain marker.

Inspiration: 12430

1.

Place the candle holder on its side on the table and apply an approx. 2mm thick layer of Clear Multi Glue Gel.

2.

Place mosaic fragments in the wet glue. Do two sides at the same time when decorating large candle holders.

3.

Decorate the mosaic fragments with opaque glass and porcelain markers.
