

Canvas Panels with Neon Paint

Canvas panels are painted with A-Color Neon acrylic paint. A drawing on the canvas with a black permanent marker is added and the background is painted with A-Color matt paint. White oil pastel lines are added at the end.

Inspiration: 12424

1.

Paint the canvas panel with A-Color Neon acrylic paint. Let it dry.

2.

Draw shapes or designs with a black permanent marker.

3.

Paint the area around the shape or designs with black A-Color matt.

4.

Draw an outline around the shape or design with a white Gallery oil pastel.
