

A painted and decoupage wooden Bird Box with a Zinc Roof

This bird box is made from wood and has a zinc roof. The four sides of the bird box are painted with Plus Color craft paint and Vivi Gade decoupage paper is then glued on. A coat of lacquer is applied at the end.

1.

Paint the four sides of the bird box with Plus Color craft paint and leave to dry.

2.

Attach Vivi Gade decoupage paper on all four sides using decoupage lacquer. Leave to dry and trim any excess decoupage paper using a craft knife. Apply a coat of the same lacquer used for attaching the decoupage paper.
