1

Print text on white textured paper for the invitation, the menu card, the place card and the round gift tag for the box. Make fingerprints as hearts on all prints using Plus Color craft paint. Leave to dry.

2

Attach the textured paper in layers according to size using double-sided adhesive tape. Rose at the bottom (1.5 cm narrower), text print at the top (2.5 cm narrower) for the menu card. A TIP: make two menu cards from each greeting card by cutting it in half.

3

Cut out the gift tag using the Shape Cutter Plus with a round template. Both from Fiskars.

4

Make a small hole at the top of the round gift tag.

5

Assemble the box. NB: Enter 13591 for instructions on how to fold the box (step-by-step instructions and video). Tie a satin ribbon around the box with the round gift tag.
