

# Kreativitet i trendfarver

Prøv 5 inspirerende idéer og skabeloner i tidens mest trendy farver.

## Et farverigt statement

Vi ser en klar tendens, der peger mod lyse, legende og optimistiske farver. Vi har udvalgt tidens lækreste nuancer til dig og skabt 5 inspirerende projekter, som du selv kan lave. Farverne kan stå alene eller spille sammen i moderne kombinationer, der løfter humøret. Det handler om at turde invitere farverne ind og lege med de kreative udtryk.
