Who fills their board first?

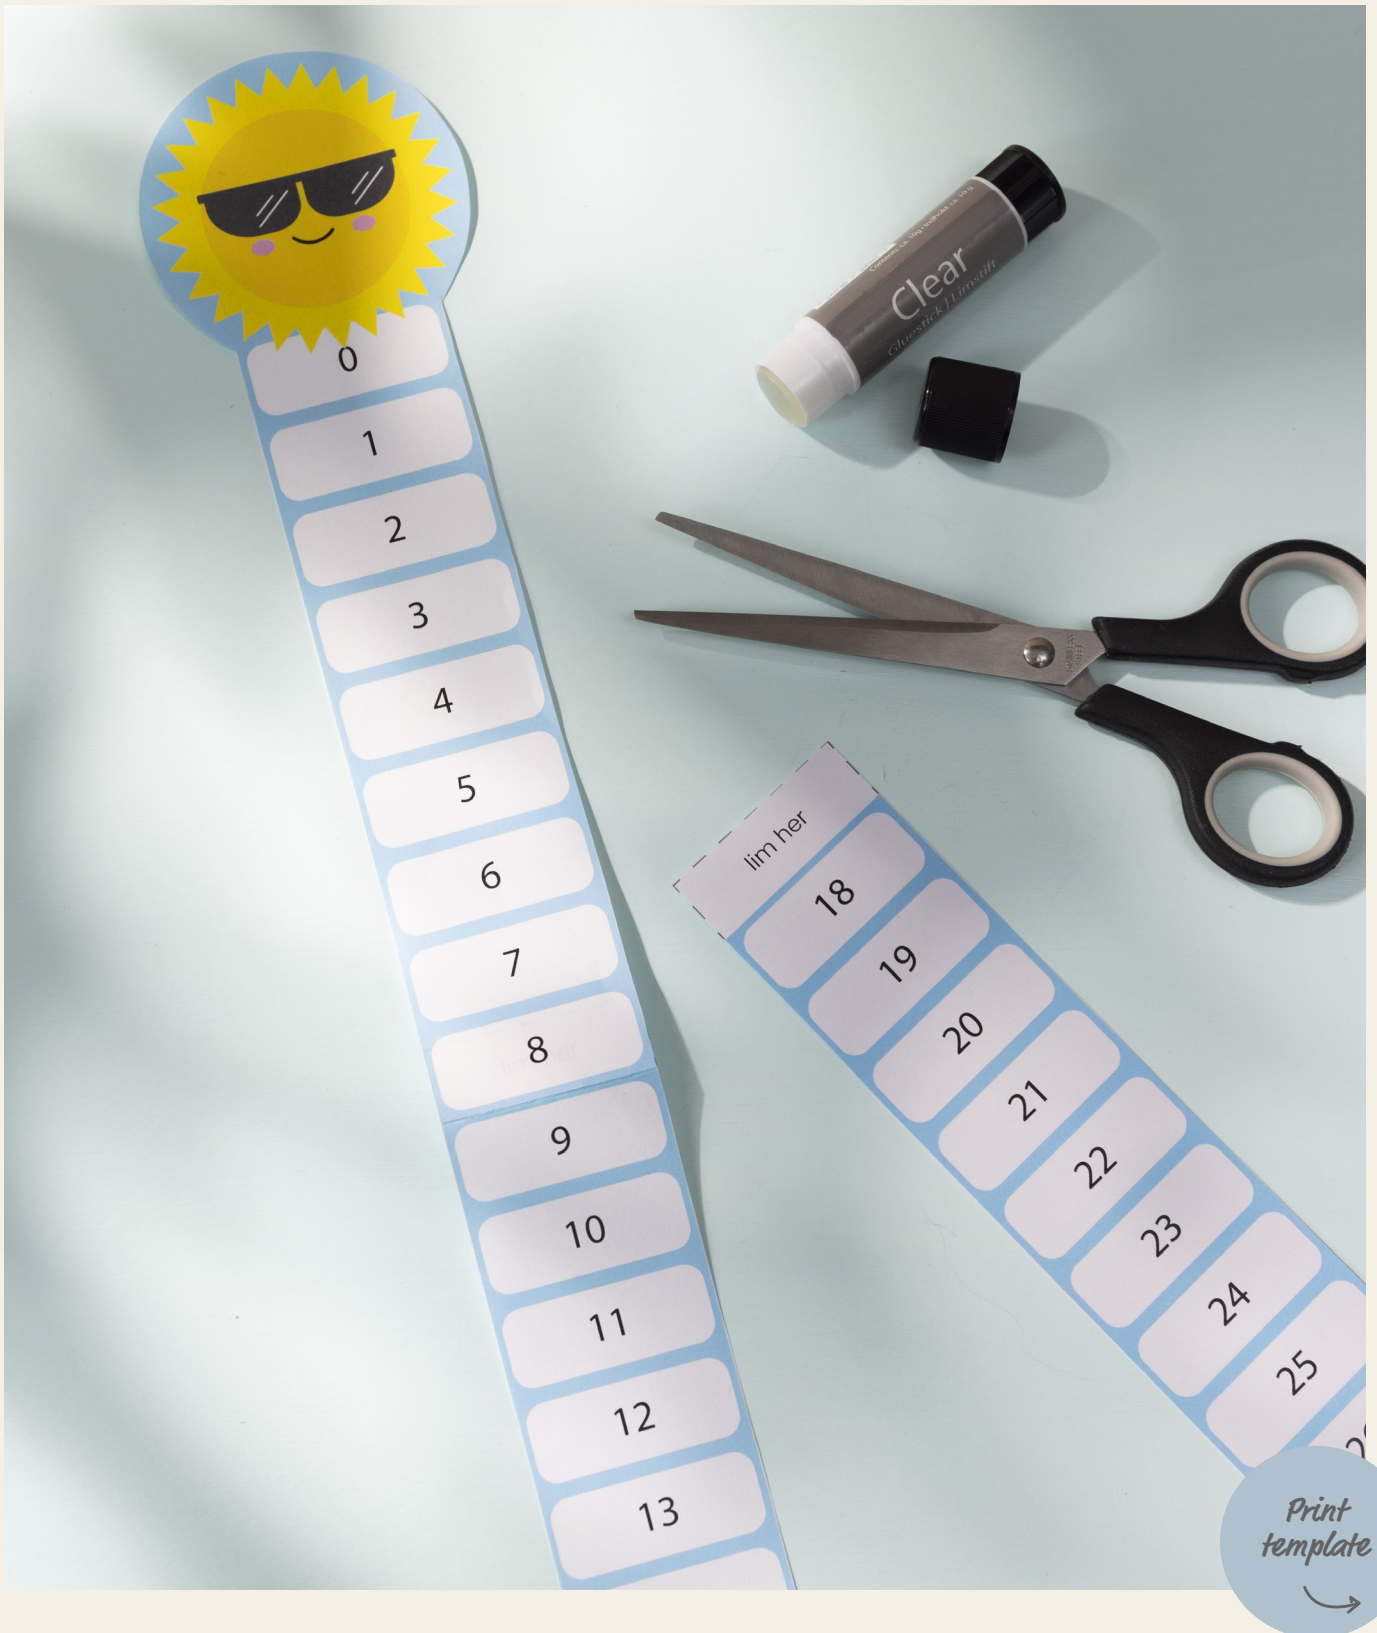

Who spots the most cars?

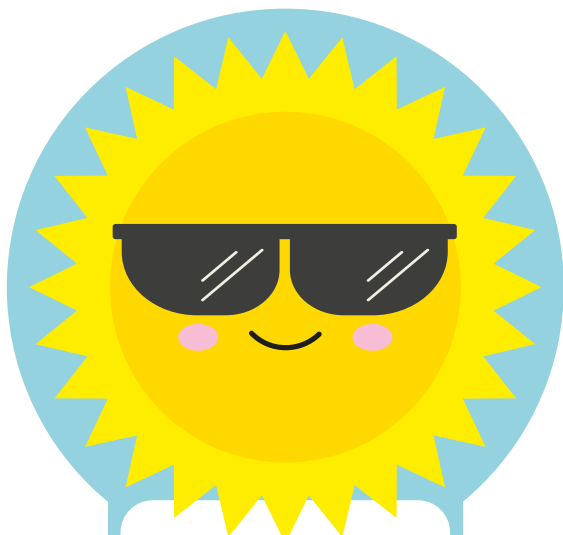

Mark a cross each time you spot a car in the colour. You can set a timer and see who gets the most crosses.

Countdown to the holiday

Use the template as a countdown to your holiday or to count the hours in the car/on the plane. Cut off one square for each day/hour. You can adjust the number of days or hours yourselves.

Drawing activities

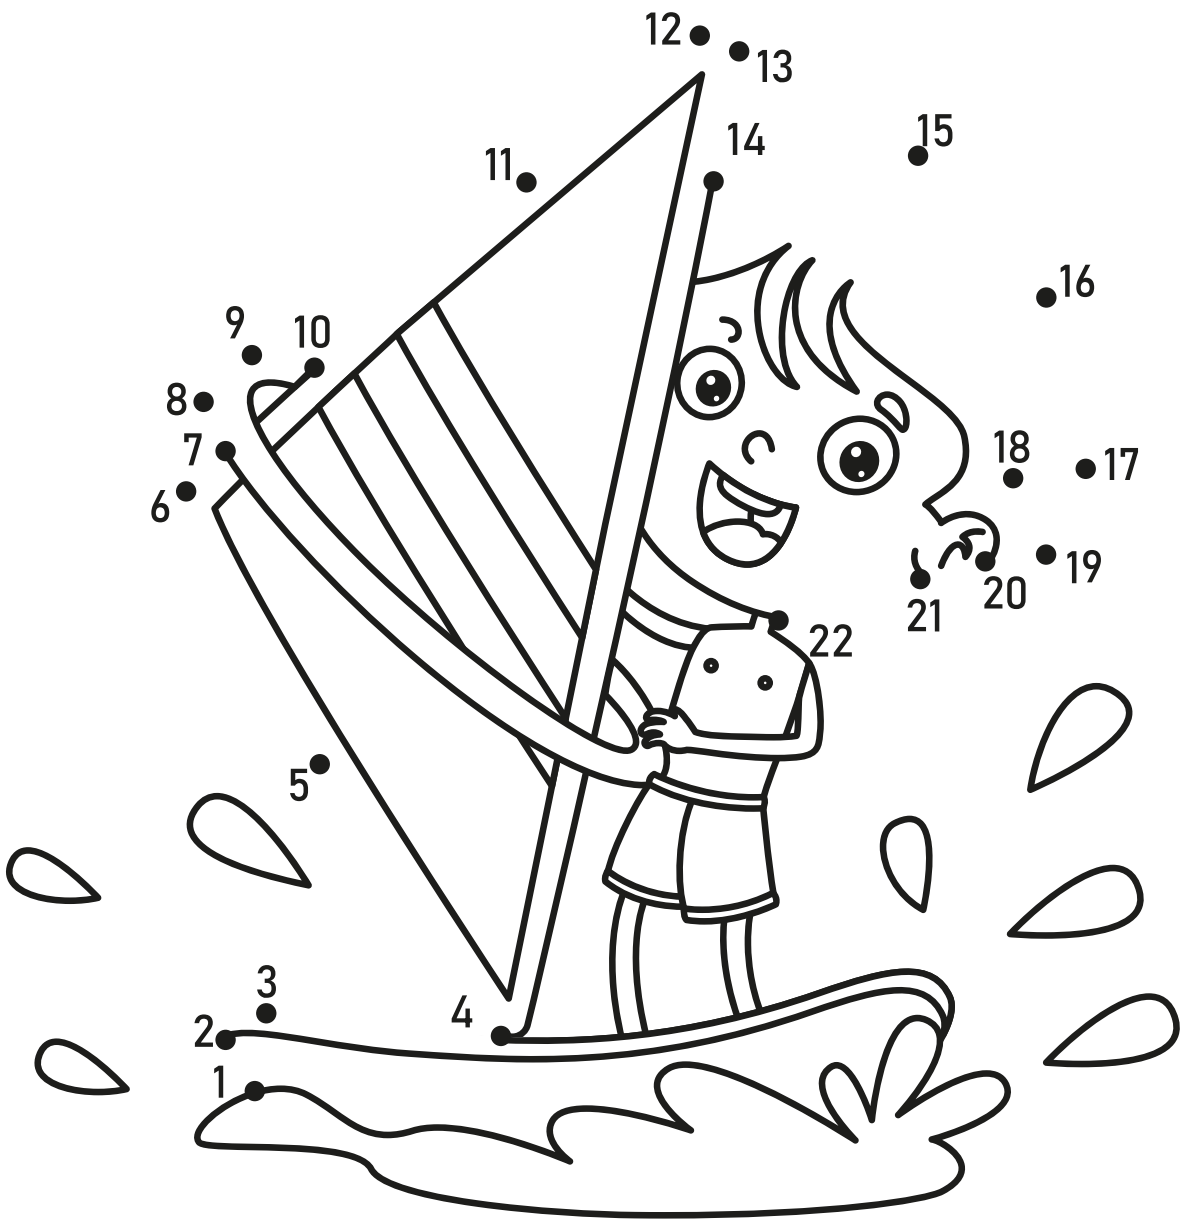

Time passes a little faster with a pencil in hand and paper in front of you. Print the fun drawing activities and use them as entertainment on your journey.

Dot to dot

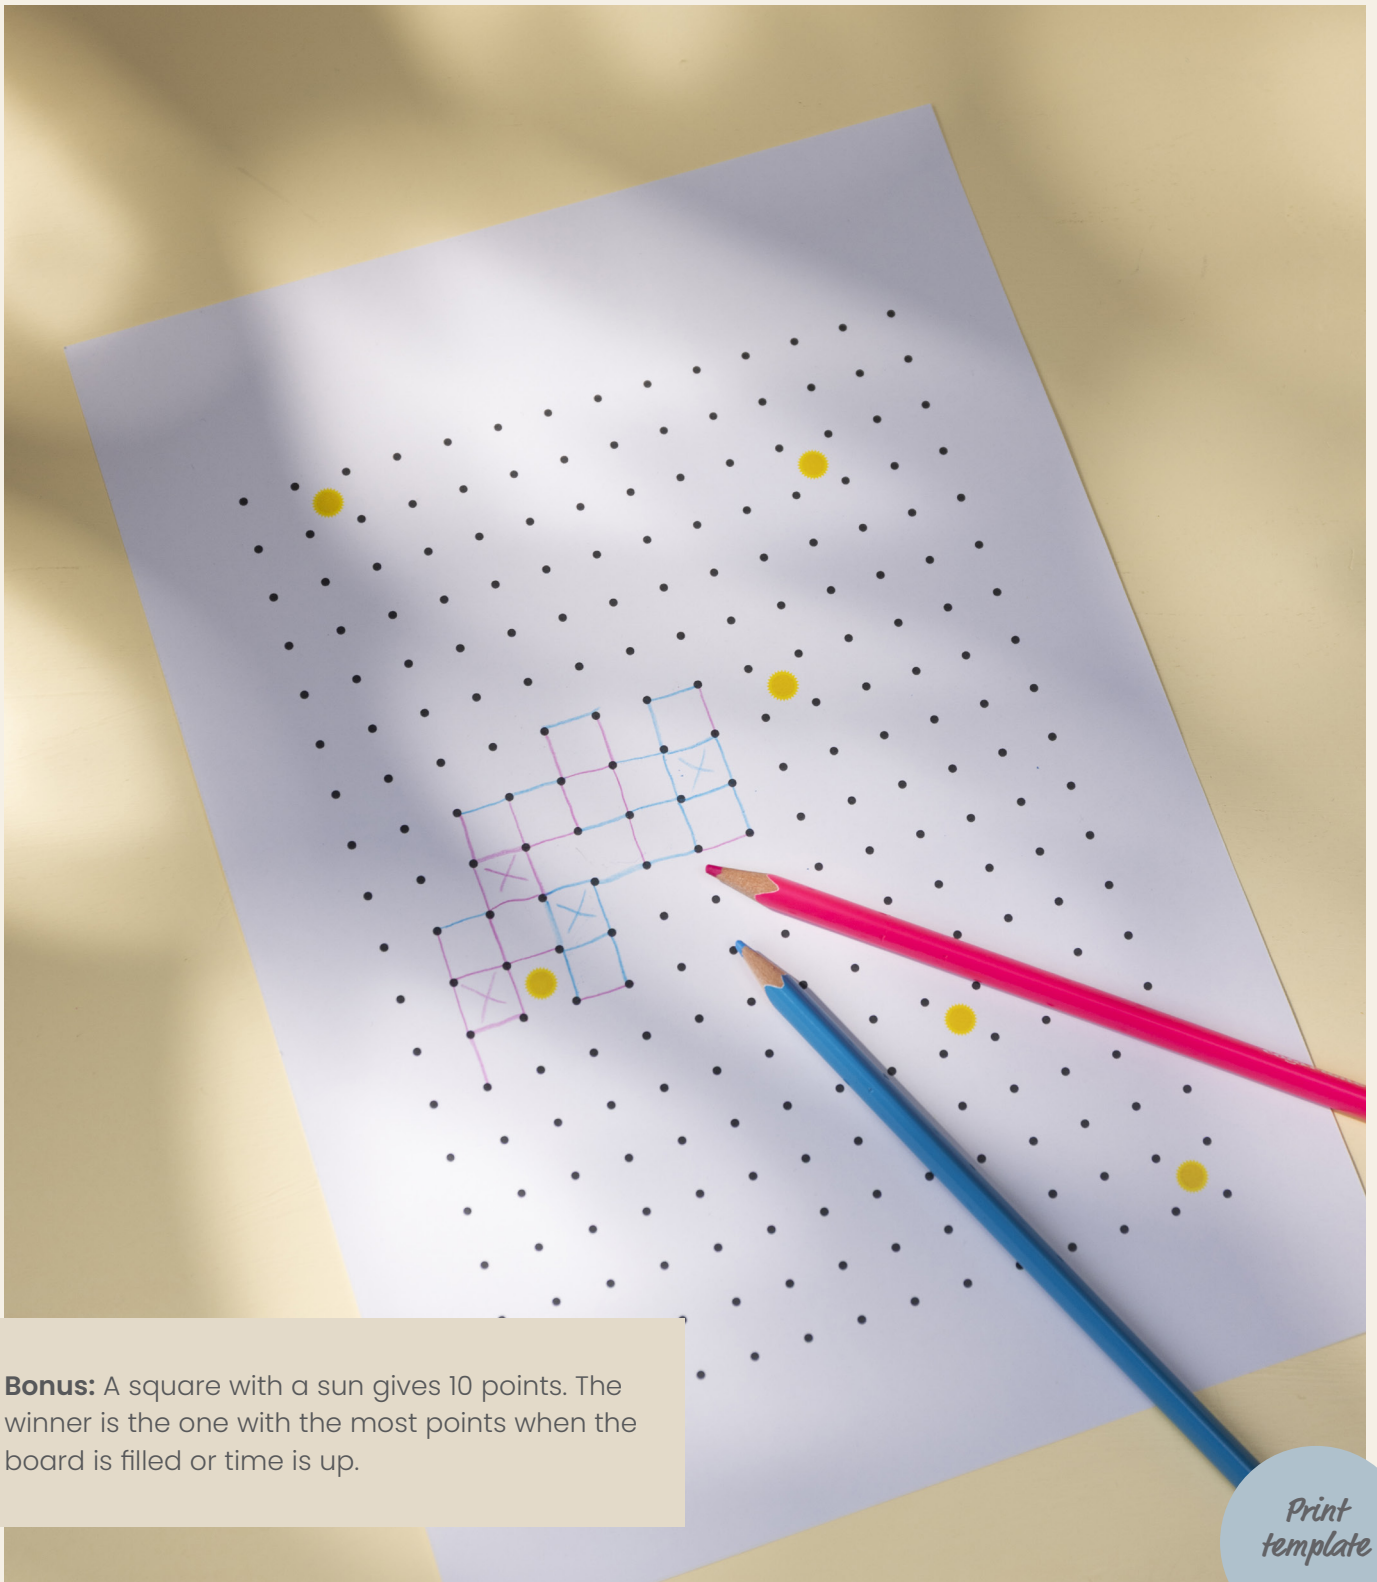

Find your way to the holiday destination

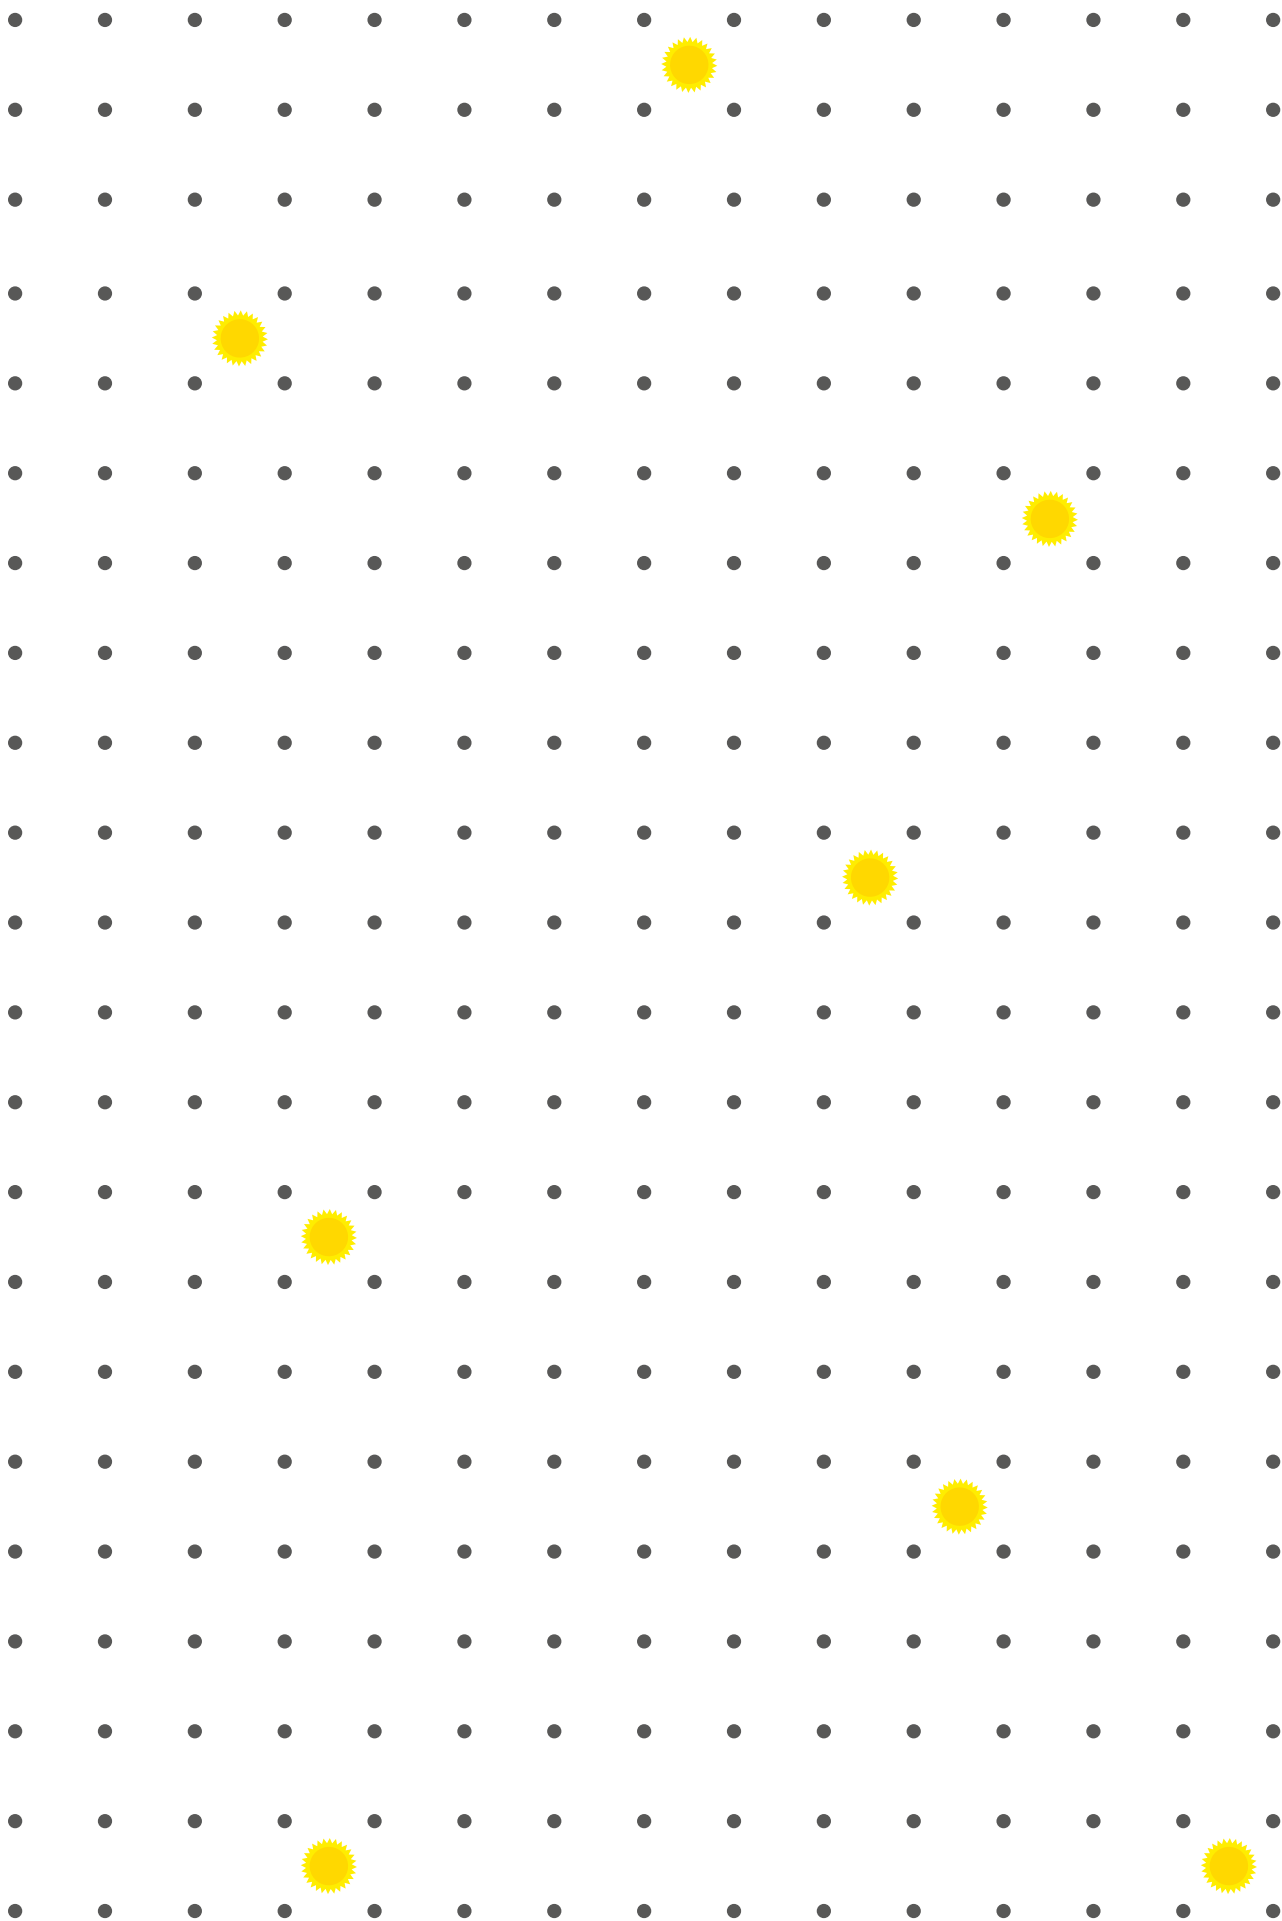

Help the car through the traffic and all the way to the ice cream.

Build apartments

Each participant has their own colour. Take turns drawing one line corresponding to one side of a square. When a player completes a square, they score 1 point, marked with a cross in the square. The same player continues their turn and draws another line.

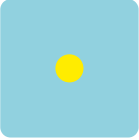

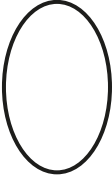

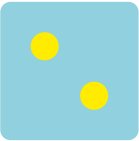

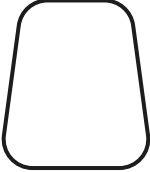

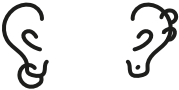

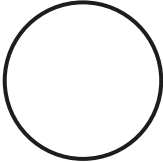

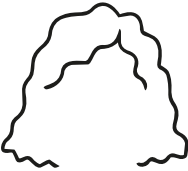

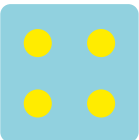

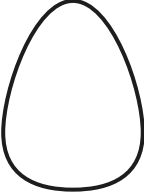

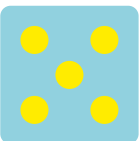

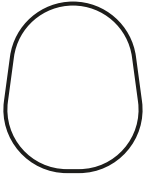

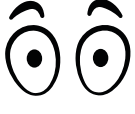

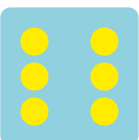

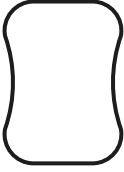

Roll and draw

Draw fun faces by rolling the dice and creating each face step by step.
