

# Knit and felt a cushion

Wool requirements: 6 balls of Melbourne woollen yarn.  
No. 5 circular knitting needle

*Cast 135 stitches onto a No. 5 circular knitting needle.  
Knit 50 cm (120 rounds) plain knitting – the finished  
measurement of the tube is 50 cm x 50 cm before  
felting.*

*Sew the tube together with a stuffed pillow inside, or  
alternatively wait and sew the tube together with the  
stuffed pillow after felting.*

*Wash in the washing machine at 40°C along with  
a couple of towels or tennis balls, on a normal  
programme without pre-wash, using detergent  
without bleach and enzymes. Stretch into shape (40  
cm x 40 cm), while it is wet.*

## **Abbreviations and symbols explanation:**

cs = crochet stitch
